STAY IN KOWLOON

Homy Inn

Kowloon is one of Hong Kong’s most vibrant and interesting districts, and offers much more backpacker friendly prices than Hong Kong Island itself. Tsim Sha Tsui is the area’s main tourist drag, with beautiful views across the waters, the trendiest shopping malls, and countless amazing restaurants. From here you can head straight to Hong Kong Island via the ferry, or head north along Nathan Road; Hong Kong’s main thoroughfare and a tourist attraction in its own right, lined with shops selling everything from suits to jewellery to high tech gadgets to take on the next step of your travels. When you want to relax you can head to Kowloon Park – the only remains of what was once the most densely populated location on earth, a ramshackle collection of high-rises and apartments that were built, sometimes literally, right on top of each other. Modern Kowloon is still busy, but with a friendly and welcoming atmosphere, and it is here that Homy Inn have chosen to plant their flag, just two minutes from the MTR East Tsim Sha Tsui Station, one stop from the MTR Hung Hom Station, and a five minute drive from the Hong Kong China Ferry Terminal. The trendiest shopping malls and attractions such as K11 Art Mall, iSquare, The ONE, Avenue of Stars, 1881 Heritage, Clock Tower and Hong Kong Cultural Centre are all within walking distance.
